English 10 Policies:

- **Late Policy** – all major assignments and digitally submitted assignments (i.e. research papers, presentations, etc.) are due on the day they are originally scheduled regardless of an absence. Please make arrangements if you are going to be absent.

- o Work will be accepted late for only 2 weeks, after that the assignment will be recorded as a zero. It will be marked missing on the day it was due, then after two weeks it will be marked as a zero and can no longer be submitted.
- **Final Draft Format** - All final drafts of major written assignments are to be typed or word-processed (12 point font, double spaced, Times New Roman) and must adhere to the essay format (MLA) unless otherwise specified.
- **Submitting Essays** - All written assignments will be submitted via turnitin.com and Writable.
- **Mastery**: I want you to master the skills and concepts I will be teaching you, however you won't all master them at the time or in the same way. Therefore, I offer retries on all assignments where points were lost due to misunderstanding. If you wish to retry an assignment, you need to first meet with me for reteaching and to discuss the skills or concepts you did not master. Then you have one week to complete the assignment again and receive credit.
- **PRIDE SCORE- Career Readiness standards and SL .1** explanation-These standards will be assessed based on your work ethic, professional career conduct, and preparation during class (also virtual). Think of this as a job. If you were at a job and doing everything you were supposed to be doing and doing a great job, your boss would give you a raise. If you perform your job with positive characteristics, you get a "raise". That is an A for this grade. If you have a day or two where you struggle, you would see that reflected in a "write up" at a job, here, you will see a deduction in grade points and comments on your progress report in progressbook- reports out to admin and parents.
