What is College Credit Plus (CCP)?

College Credit Plus is Ohio's dual credit program

- ❖ Students can earn high school and college credit simultaneously
- ❖ Ohio residents in grades 7-12; enrolled at a public/private high school or homeschooled
- ❖ Take a variety of courses at any public and participating private college in Ohio
- ❖ Courses held at the high school, on a college campus, or online

How can students participate?

Step 1: Eligibility

- ❖ A student is eligible for CCP if the student meets any of the following criteria:
 - ❖ Has a cumulative unweighted high school grade point average of at least 3.00
 - ❖ Obtains a remediation-free score on one of the standard assessment exams
 - ❖ Has a cumulative unweighted high school grade point average of at least 2.75 but less than 3.00 and received an "A" or "B" grade in a relevant high school course.

How can students participate?

Step 2: College Admission

- ❖ Students must apply for admission at each institution
 - ❖ Admission is reviewed per the requirements of the college or university; contact the college to find specific information
- ❖ College applications include the permission slip for mature content and a questionnaire about emotional maturity
- ❖ Colleges have the final decision on student admission

How can students participate?

Step 3: Course Registration

- ❖ The college will discuss course options with the student, based on assessment scores, prerequisites, and other requirements
- ❖ School counselors can help students understand graduation requirements and CCP course substitutions
- ❖ High schools and colleges develop 15- and 30-credit hour pathways to help you determine your plan

Course Eligibility Rules

Students must complete their first 15 credits in Level I courses, which include:

- ❖ Transferable courses
- ❖ Courses in IT, Computer Science, Anatomy & Physiology, foreign language
- ❖ Courses that are part of a technical certificate
- ❖ Courses that are part of a 15- or 30-credit pathway
- ❖ Courses in study skills, academic, or career success

Course Eligibility Rules

Non-allowable courses include:

- ❖ Private applied courses with one-on-one instruction (such as performing art lessons)
- ❖ Courses with high fees
- ❖ Study abroad courses
- ❖ Physical education courses
- ❖ Pass/Fail graded courses
- ❖ Remedial courses or sectarian/religious courses

How many classes can students take?

Students may be enrolled in up to 30 credits per year, which includes high school courses:

- ❖ Calculation: $30 - (\text{HS units} \times 3) = \text{max CCP credit hours}$
- ❖ The maximum number of college credits a student can complete while participating in the program is 120
- ❖ If a student enrolls in more than 30 credits for the year, they can:
 - ❖ Drop the course prior to the no-fault withdrawal date
 - ❖ Pay for the entire course at the college's standard rates (Option A)

Additional Considerations

Grades

- ❖ The final grades earned in the college course are the same grade that will be on the high school transcript
 - ❖ CCP course grades will be factored into the high school and college GPAs

Grade Weighting

- ❖ High schools must weight all advanced standing courses in a subject area consistently (CCP, AP, IB, Honors)

Additional Considerations

Selective Service -

Male students 18+ years of age and Ohio residents must...

- ❖ Be registered with the Selective Service System
- ❖ Provide their Selective Service number to the public college or university within 30 days of their 18th birthday
- ❖ Failure submit the Selective Service number will result in the student not being considered a CCP participant for that semester or term
 - ❖ The student will be responsible for any tuition, textbooks, or fees associated with the course(s)

What is different between HS & college?

Tests	Given weekly or at the end of each unit	Less frequent and cover more material

What is different between HS & college?

	High School	College
Grades	Numerous quizzes, tests, homework assignments, etc.	Fewer tests and few homework assignments
Role of Parents / Guardians	Guardians advocate-involved and work with teachers & counselors	Student has more responsibility; guardians mor of a mentor/support
Accommodations	Parents and students work with high school staff to determine what assistance, or accommodations can be made for students with IEPs or 504 plans	Students must work directly with college staff to determine if accommodations are needed; IEPs and 504 plans may or may not be included in the discussions

What does it mean to be “college-ready”?

Being “college-ready” is more than just being academically ready

- ❖ Consider emotional and social transition and college expectations
- ❖ Consider time management and organizational skills

What are the consequences of underperforming?

1. Families may be asked to reimburse courses if:

- ❖ The student does not earn a passing grade in their course
- ❖ The student withdraws after the no-fault deadline (day 14) at the college

NOTE: A student that is considered “economically disadvantaged” cannot be asked to reimburse the cost of the course(s)

What are the consequences of underperforming?

2. Students may be placed on College Credit Plus Probation if:

- ❖ They earn less than a cumulative 2.0 GPA in CCP courses or
- ❖ They withdraw from 2 or more courses in one academic term

While on CCP Probation, the student:

- ❖ May only enroll in one College Credit Plus course for one college term (semester or quarter)
- ❖ May not enroll in a college course in the same subject in which student previously earned D, F, NC grade (or equivalent grade)

3. If a student does not raise their GPA to 2.0 or above during probation, they will be placed on CCP Dismissal

- ❖ While on CCP Dismissal, students may not enroll in any CCP courses
- ❖ A student can request (appeal) to be reinstated in the program

What are the consequences of underperforming?

Appeals for Underperformance:

CCP Probation:

- ❖ Student may appeal to take a course in the same subject in which they previously earned a non-passing grade or received no credit

❖ CCP Dismissal:

- ❖ Within 5 days of being dismissed, the student may submit an appeal to the secondary school to appeal CCP Dismissal or the student may appeal at the end of the CCP Dismissal semester

Note: Each school district must have a policy describing the process for appeals

What are the consequences of underperforming?

4. After HS Graduation:

- ❖ Grades earned in CCP will remain on students' college transcripts permanently
- ❖ If students fail or withdraw often, future financial aid may be also impacted negatively
 - ❖ Satisfactory Academic Progress (SAP) is a requirement for financial aid
 - ❖ Standards vary by institution

 - ❖ Students must inform the school of their choice of credit for courses

What are the expenses for College Credit Plus?

- ❖ All college course tuition, fees, and textbooks will be paid by the state of Ohio
 - ❖ Supported by the school’s foundation funds and the college’s funds

What support services are available for students?

Students receive support from both the HS and College:

- ❖ High school counselors continue to assist all CCP students
- ❖ College advisors provide course selection assistance
- ❖ Colleges must provide the same academic supports to CCP students such as tutoring, library access, advising, etc.

What about athletic eligibility?

Student athletes should:

- ❖ Learn the Ohio High School Athletic Association (OHSAA) requirements
- ❖ Know that summer term CCP courses cannot be used to bring a student into compliance with the OHSAA requirements for interscholastic athletic participation

Will the course credits transfer?

- ❖ Certain general education and technical courses will transfer, especially from one Ohio public college to another Ohio public college
- ❖ Students must check with colleges to confirm transferability
- ❖ Students should also visit <https://transfercredit.ohio.gov> for transfer information
