

PARTY AT THE PARK

YOU'RE INVITED!!

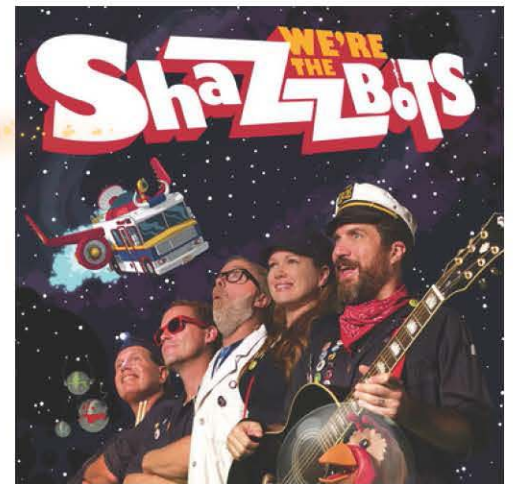

Knox County's beloved drop-in center for play-based learning and family fun is planning an eclipse viewing party!

Hosted by SPI at Mount Vernon's unique, centrally located Ariel-Foundation Park, this free event promises entertainment and learning for families, area residents and out-of-town guests. Come share in this rare total eclipse experience. We'll release more details throughout the one month countdown to April 8, but confirmed elements of SPI's eclipse programming include:

The Shazzbots!

Columbus' favorite intergalactic rock band will travel to Knox County in its space Winnebago to entertain our children of the cosmos.

Opportunities for science engagement & observation, history connections and more

hot drinks, treats and good food available for purchase from **One Love Cafe & Bike Shop** and **Big Pappy's BBQ**

Special workshops and space-themed experiences at SPI Spot before and after 4/8

"Surprise" other event features made possible by The Simons Foundation and local sponsors!
